The Hospitality Management program offers study for the degree of Bachelor of Science with a major in hospitality management. As the only 4-year hospitality program in the state of Iowa, the program prepares undergraduate students with essential principles of managing a variety of hospitality organizations, such as hotels, restaurants, clubs, and foodservice companies. Students also develop expertise in managing diverse areas, such as accounting and finance, human resources, marketing, foodservice, tourism, and lodging.

Our students participate in internships locally, nationally, and internationally with a range of hotels, restaurants, caterers, theme parks, sports facilities, cruise ships convention and visitor's bureaus, independent businesses, and country clubs. Courses provide students with opportunities to develop and apply management techniques in hospitality organizations. The Hospitality Management curriculum provides students with the opportunity to obtain professional certifications in multiple areas.

The Hospitality Management program mission is to create, share, and apply knowledge to provide hospitality consumers with products, services, and experiences to enhance overall well-being. We accomplish our mission with a personalized, nationally ranked program. Our students learn in a nurturing, safe, and inclusive environment, with caring faculty with industry experience.
