

HONORS (HON)

Courses primarily for undergraduates:

HON 1210: First-Year Honors Seminar

Credits: 1. Contact Hours: Laboratory 2.

Prereq: Membership in the First-Year Honors Program

Orientation to Iowa State University and to the University Honors Program. Students will meet and work with other high-ability students for the purpose of exchanging ideas and considering alternative futures as a basis for launching personalized academic programs and professional careers. Offered on a satisfactory-fail basis only. (Typically Offered: Fall)

HON 2900: Special Problems

Credits: 1-2.

Prereq: Membership in the University Honors Program

Independent study on topics of an interdisciplinary nature. Intended primarily for freshmen and sophomores. Offered on a satisfactory-fail basis only. (Typically Offered: Spring)

HON 2900H: Honors

Credits: 1-2.

Prereq: Membership in the University Honors Program

Independent research study as a part of the First-Year Honors Mentor program (FHMP), which offers first-year honors students the opportunity to get research experiences with a faculty mentor. The main objectives of the FHMP are to develop students' interest in and understanding of academic research and to help them identify a research area for an honors capstone project. Offered on a satisfactory-fail basis only. (Typically Offered: Spring)

HON 2900U: Undergraduate Research

Credits: 1-30.

Prereq: Membership in the University Honors Program

Independent study as a continuation of the First-Year Honors Mentor program (FHMP), which offers second-year honors students the opportunity to continue research experiences with the same FHMP faculty mentor as in the HON 2900H course. The main objectives are to extend students' involvement in research and understanding of an academic field and to help them identify a research area for an honors capstone project. Offered on a satisfactory-fail basis only. (Typically Offered: Fall, Spring)

HON 3020: First-Year Honors Leadership Development

Credits: 2. Contact Hours: Laboratory 2, Lecture 1.

Prereq: Membership in the University Honors Program

Offered on a satisfactory-fail basis only. (Typically Offered: Fall)

HON 3210: University Honors Seminars

Credits: 1-2. Contact Hours: Lecture 2.

Repeatable.

Prereq: Membership in University Honors Program or First-Year Honors Program

Interdisciplinary seminars on topics to be announced in advance. Offered on a satisfactory-fail basis only. (Typically Offered: Fall)
