PHILOSOPHY (PHIL)

Courses primarily for undergraduates:

PHIL 2010: Introduction to Philosophy
Credits: 3. Contact Hours: Lecture 3.
It has been rumored that the unexamined life is not worth living. Philosophy is an attempt to begin examining life by considering such questions as: What makes us human? What is the world ultimately like? How should we relate to other people? Is there a god? How can we know anything about these questions? Understanding questions of this kind and proposed answers to them is what this course is all about. (Typically Offered: Fall, Spring, Summer)

PHIL 2060: Introduction to Logic and Scientific Reasoning
